

## WEST GA FIRST RESPONDERS

February 11, 2026

Hello Everyone,

First, I'd like to say thank you to everyone who gave to WGFR this past year, and hopefully to the ones that will give in 2026. Once again, this year has been a tremendous success for our organization. Overall, we raised \$128,898 through donations and the RaLin Builders-N-BBQ fundraiser. Also, I would like to express how thankful I am to live in a community of businesses and individuals that are so committed to giving back to their community. The West Georgia area is truly a special place to live, and we could not fulfill our support to the first responder community without y'all! Furthermore, we were able to distribute \$85,947 to 19 individual first responder families within the West Georgia community. In addition, due to the late year fundraising we were able to start the 2026 year with a surplus of funds; currently we have \$51,553 in the bank that is ready to go out to deserving first responders in need of assistance.

The money that was distributed was primarily offered for monthly mortgage payment assistance; however, we were also able to step in and provide financial assistance for:

- Automobile Payments
- Home Utility Payments
- Insurance Premiums
- Insurance Deductibles

To sum up, I'm looking forward to building on last year's success, and creating a legacy of stability for our local first responders. This year's focus will be on generating monthly recurring donations from individuals that are looking to collectively support our local heroes. Again, Thank you in advance for your future support of West Georgia First Responders. Our success relies completely on your generosity.

Thank you,

Shane Davis

President
